

STATEMENT IN SUPPORT OF CLAIM
(Lay / Witness Statement)

Name of Witness: Daniel R. Alvarez

Relationship: Served together, 4th Brigade Combat Team

I served with Marcus Rivera in Afghanistan in 2011. On 3 February 2011 I was in the second vehicle of a convoy outside Kandahar when the lead vehicle struck an improvised explosive device. Marcus was in that lead vehicle.

I helped pull him out. He could not hear properly for several days afterward and kept asking us to repeat ourselves. He complained about his ears ringing constantly for the rest of the deployment.

Before that day I never heard him complain about his hearing or his back. Afterward he had trouble carrying his gear and would stretch his back out during every halt.

I certify that the statements above are true to the best of my knowledge and belief.
